Making Meaningful Relationships

This week, our children have been enjoying Making Relationships Time, which is the 'M' in our DREAM values. Making Relationships Time is a dedicated opportunity for children to work together, build positive friendships, and develop important social skills. During these sessions, children collaborate on projects, play games with their peers and adults, solve problems together, and learn how to communicate effectively and respectfully.

We love seeing the children show kindness, teamwork, and cooperation as they strengthen their relationships with others. These experiences help to build confidence, resilience, and a strong sense of belonging within our school community.

Here are some of the children enjoying this week's Making Relationships Time!
