Woodlands' First Enrichment Day!

What a fantastic first Enrichment Day we had at Woodlands! Our focus was Nature, Outdoors and Adventure, with children enjoying hands-on activities that encouraged them to explore the natural world, get creative and work together. From discovering wildlife to creating habitats and tackling practical outdoor projects, our children developed curiosity, confidence, resilience and teamwork, all while learning beyond the classroom.

It was a brilliant start to a year of exciting enrichment opportunities, broadening horizons and making memories along the way!

Reception Parent Lunches

It was wonderful to welcome our Reception parents and carers into school last week to enjoy lunch with their children. There were lots of smiles, happy conversations and special moments shared together. Thank you to everyone who joined us!

Allergy Awareness At Woodlands

Keeping every child safe, included and supported is our priority at Woodlands. Children with diagnosed allergies have an Individual Healthcare Plan, created with families and regularly reviewed. Staff are trained to recognise reactions, follow care plans and administer emergency medication when needed. We also hold emergency adrenaline pens in school.

We ask parents to keep us updated about allergies, medication and contact details. Children learn about allergy awareness and anaphylaxis through assemblies and annual First Aid training. If you have any questions about this, please let us know.
